Care Packages for Our Troops

We will again put together care packages to ship overseas to our troops. Start collecting items today and bring them to the Convention. A list of needed items is posted on our website. You can also send a letter to thank them for their service and for keeping us safe. Have your children / grandchildren / nieces / nephews / Sunday school students draw pictures or write letters as well. The troops love these!

Do you know someone overseas that you would like to send a package to? Bring their address along, and we will make sure that one or more of these boxes gets to them. Check our website for details regarding acceptable items or to donate:
